REPLY TO RESTRICTION REQUIREMENT

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In Reply to the Restriction Requirement mailed October 6,  
2004, Applicants submit the following remarks:

In the Restriction Requirement, the Examiner grouped pending claims 1-17 into two categories as follows:

Group I, Claims 1-10, drawn to a method for the selection of polypeptides, classified in class 530, subclass 350; and

Group II, Claims 14-17, drawn to a molecular library, classified in class 435, subclass 6.

At the outset, Applicants submit that pending claims 11-13, drawn to a method for the selection of polypeptides, were omitted from the Restriction Requirement and were presumably to be included in Group I. Therefore, Applicants herein elect, without traverse, the claims of Group I, e.g. claims 1-13, drawn to a method for the selection of polypeptides. Applicants reserve the right to file divisional applications on the non-elected claims pursuant to 35 USC §121 and claiming priority to this application under 35 USC §120.

Any fees due with this Reply may be charged to Deposit Account **23-1665** under Customer Number **27267**.

If a telephone conference would aid in the continued prosecution of this application, the Examiner is invited and encouraged to contact Applicants' representative at the telephone number listed below.

Respectfully submitted,

Per-Åke Nygren et al.
